Delta Dental PPO *Plus Premier*™

Easy Access and Great Value – Your Delta Dental Networks

As a Delta Dental PPO *Plus Premier* subscriber, you have access to two of Delta Dental’s extensive national networks—Delta Dental PPO, with more than 350,000 dentist locations and Delta Dental Premier, the largest dental network in the country with more than 450,000 dentist locations. Three out of four dentists nationwide participate in one or both of these networks.

You will enjoy great benefits when you receive your dental care from a participating dentist in either the Delta Dental PPO or Delta Dental Premier networks.

- Both networks offer discounted fees and a no balance billing policy.
- You will receive good value from Delta Dental Premier network dentists who generally accept discounted fees, but will be subject to the out-of-network co-insurance level shown on the front of this summary.
- You will enjoy the greatest savings when visiting Delta Dental PPO network dentists and will receive the in-network co-insurance level shown on the front of this summary.

If you choose to receive services from a non-participating dentist, you will have higher out-of-pocket costs as the Delta Dental contract rates and the no balance billing policy do not apply.

Delta Dental members can also take advantage of expanded discounts on many covered services, even after they have used up their benefit dollars, visit limits and other situations. Get the details at <http://www.deltadentalma.com/members/discounts-on-covered-services/>

Rollover Max

With Rollover Max from Delta Dental, you won't lose what you don't use.

Thanks to the Rollover Max benefit from Delta Dental, you can save some of your unused benefit dollars to be applied to future services that would otherwise exceed your plan maximum.

Rollover Max is easy and automatic.

- To qualify for Rollover Max, you must receive at least **one cleaning or oral exam in the plan year**. If you don't receive a cleaning or exam, you won't be eligible to rollover any of your benefit dollars to the following year.
- In addition, your paid claims must not exceed the Plan Year Maximum "threshold" amounts outlined in the chart below.
- Once you qualify, some of your unused annual Plan Year maximum benefit dollars will automatically rollover for use in your next plan year and beyond. The amounts are outlined in the chart below.
- Annual Plan Year Maximum dollars are used first. Rollover Max dollars are used after the annual maximum amount for your plan has been exhausted.
- Rollover Max dollars cannot be applied to orthodontic treatment or other lifetime benefits.
- You must be enrolled for dental coverage before the 4th quarter of the plan (10/1-12/31) to qualify for the rollover that year.

Rollover Max increases your dental benefit value.

You get more flexibility in planning and paying for your dental care, as well as the peace of mind knowing you have more benefits—if you need them, when you need them. Best of all, Rollover Max comes as part of your Delta Dental coverage.

How Rollover Max works.

The chart below shows how Rollover Max is calculated based on your plan's annual Plan Year Maximum level.

Your Plan Year Maximum benefit amount.	If your total yearly claims don't exceed this threshold amount...	Then you can roll over this amount to use next year, and beyond.	Your accumulated rollover total will not exceed this amount.
\$1,500	\$700	\$500	\$1,250

How to check your Rollover Max balance online:

- Log on to your account at www.deltadentalma.com. (You'll need to register if this will be your first visit.)
- Click on *Benefit Maximums*.
- The rollover amount for each member will be listed under *Rollover Maximum*.
